RESUMÉ

SHAUN SWANEPOEL

Web Developer & Designer

ABOUT ME

A driven and detail-oriented IT graduate with a Bachelor's degree in Computer Programming, experienced in software development, mobile applications, and modern web technologies.

Eager to apply technical skills to real-world projects while continuously expanding knowledge of emerging programming languages and frameworks.

Known for strong teamwork, adaptability, and a commitment to delivering high-quality solutions.

SKILLS

- Problem-solving & logical thinking
- Attention to detail
- Time management
- Communication & teamwork
- Adaptability and willingness to learn
- Communication
- Teamwork
- Leadership
- Time management
- Adaptability
- Problem-solving
- Critical thinking
- Creativity
- Work ethic
- Emotional intelligence
- Customer service
- Conflict resolution

WORK EXPERIENCE

While studying full-time, I worked at Chattels during the holidays to stay productive, earn extra money, and gain practical experience. I enjoy learning as much as possible, and this role allowed me to do exactly that in a fast-paced, physical work environment. I built strong working relationships with my colleagues.
